

The People's Food & Farming Alliance

British Farming is in dire straits

- ✓ **British Farmers are vital for our survival**
- ✓ **But we are losing them at an alarming rate**

British Farmers are:

- **Crucial to our country's food independence.**
- **Critical in times of supply chain issues.**
- **Struggling financially from lower income and higher costs.**

Support Your Local Farmer by:

- **Buying direct from local farms & farm shops so the money goes direct to your farmer.**
- **Building relationships with local farmers.**
- **Encouraging friends and family to do the same.**
